Amendment request (No AMD-101168560-1)

Dear Madam/Sir,

In connection with the above-mentioned project, I **request** the attached **amendment**.

It concerns the following changes:

1. Beneficiary termination (non-accession to the GA)
2. Change of Annex 1
3. Change of Annex 2

These change(s) are necessary for the following reason(s):

Removal of SAP as they did not signed the accession forms to the GA. Redistribution of SAP's work to partners ICCS, ISI and AEGIS.

The request is accompanied by the following supporting document(s):

Grant Agreement Data Sheet
Grant Agreement Annex 1
Grant Agreement Annex 2

 We acknowledge and understand that:

- substantial changes to the project (*e.g. project scope, consortium composition, budget, etc*) must be duly justified
- terminations cannot be retroactive and do not need to coincide with the end of work date (when the work on the action was actually stopped). We understand that costs incurred after the end of work date are ineligible and cannot be charged to the project
- beneficiaries that enter in the context of a partial transfer of rights and obligations (PTRO;

‘partial takeover’) may be held jointly and severally liable for undue amounts paid to the beneficiary they replace (i.e recoveries).

Yours faithfully,

Project Legal Signatory
