Terminal and gate info

[Check in the app](#)

You'll find up-to-date terminal info in the Kiwi.com app — it'll appear in your itinerary details before your trip. We'll add it there when it's available. Please **recheck it before you go** to the airport as it can change sometimes. Download the app at app.kiwi.com/terminal.

Connection Protection included

If a delay, cancellation, or rescheduling affects one of your connections, please check your email or our app for updates and solutions. If we haven't identified the disruption, contact us immediately for assistance. See the last page of this e-ticket for contact details, or visit go.kiwi.com/connection-protection to learn more.

Check visa & health requirements

You booked an itinerary with a self-transfer travel hack , so on top of the documents for your destination, you also need to have all the necessary **documents to enter the country of your self-transfer layover** — even if you don't actually plan to visit.

- Self-transfer countries: **Italy (Bologna), Italy (Catania)**
- Your destinations **Italy (Cagliari), Greece (Athens)**

Ask your embassy or [check this guide](#) to make sure you have everything you need.

Additional information

Self-transfer

Your trip consists of **multiple separate flights** that form a unique itinerary cheaper than a single airline reservation. Self-transfer is what glues these flights together, but as they're not officially connected by the airlines, the layover — including a visa check or passport control at immigration and security — is on you. You have enough time to transfer without baggage. Learn more at go.kiwi.com/self-transfer.

Fare conditions

Our services are non-refundable and non-cancellable. All changes are subject to fees. Sign in to your trip if you need to make any changes.

Meals

Most low-cost carriers don't include meals with the reservation. Snacks and refreshments can usually be purchased en route. Contact us by phone to order a meal in advance. Some food and drinks might be allowed on board, but liquids are limited to 100ml and must be kept in a zip-lock plastic bag.
